Item 7 - Other reasons for holding abandonment:

The Terminal Disclaimer received on January 25, 2005 was not complete.

Applicant failed to meet the following requirements of 37 CFR 1.111:

(a)(1) If the Office action after the first examination is adverse in any respect, the applicant or patent owner, if he or she persists in his or her application for a patent or reexamination proceeding, must reply and request reconsideration or further examination, with or without amendment.

(b) In order to be entitled to reconsideration or further examination, the applicant or patent owner must reply to the Office action.
